Dear Individual User:

Enclosed are your Annual Water and Use Report forms for calendar year 2002. The summary page is printed on the reverse side of this letter. This report is for Individual Users who receive water from a service area right holder or irrigation district. The Department has preprinted certain information from our records onto these forms. If any of the preprinted information is incorrect, please make the necessary changes. Please note that a separate annual report form must be filed for each facility designated as an individual user.

Persons who did not receive water during 2002 are required to return the form with zeros in the appropriate blanks.

Reports must be received by the Department or postmarked no later than March 31, 2003. The penalty for filing late is \$25.00 per month or part of a month that the report is late up to \$150.00.

We have tried to provide you with the proper forms according to information in our files. Failure to receive the proper forms does not relieve a person of the responsibility of keeping the required records or filing the required reports. You may wish to copy this report for your records.

If you need help or have questions, contact your AMA office listed at the top of your report form.

Sincerely,

Jim Holway  
Assistant Director  
Groundwater Management Division
